In Association with

Vadiva Creative Labs

Vadiva Creative Labs is an innovation-driven education enterprise impacting 10,000+ students across 28 institutional partnerships. Backed by a 40-member multidisciplinary team, Vadiva is reimagining learning through immersive and meaningful educational experiences.

1. What is Protospark?

ProtoSpark is Vadiva Creative Labs' premier international innovation platform where curiosity meets creation. Through design thinking, prototyping, and collaborative problem-solving, young innovators transform ideas into tangible solutions and showcase them on a global stage. More than a competition, ProtoSpark is a launchpad for the next generation of innovators and changemakers.

2. Who Can Participate?

- School students across the globe (10–17 years old)
- Teams of 2–4
- Original, safe, student-built ideas
- Low-cost or tech-based prototypes welcome
